

ONLINE SALES INSTRUCTIONS FOR SCOUTS/PARENTS

www.popcornordering.com

CONTINUE TO EARN FUNDS BY SELLING POPCORN ONLINE!

UPDATED 04/01/2016

SALES WILL START ON AUGUST 1, 2016

This site allows scouts to sell CAMP MASTERS products to friends and relatives **across the country!** Here are a few key points on how the site will work and how the Online Sales Program will benefit Scouts and Scouting

Scout/Parent – Steps to start selling online

- Step 1:** Receive username, password, and Key Code from unit leader.
- Step 2:** Scout can now log-in to www.popcornordering.com and e-mail customers his Key Code. The Key Code is used to track Scouts sales and is how they receive credit for all online sales. If they do not give their Key Code to the customer, they will not receive credit for the sale.
- Step 3:** Unit Leader and the Scout will each have the ability to log in later to track their online sales.
- Step 4:** Customers will pay for product online with their credit card, and their order will be shipped directly to their home. Chocolate items will not be available until later in the Fall.
- Step 5:** You will receive credit for your sales from your Council based on the online sales commission structure.
- Step 6:** The Unit Leader will combine the online sales with traditional popcorn sales to calculate "Prizes".

On average, 70% of all product sales go to Local Scouting

Site access will be available through www.popcornordering.com or www.campmasters.org

The majority of the sales will still be generated through the traditional method of selling. However, we are pleased to bring a new and exciting way for you to expand those sales to fund your scouting adventures and community service projects!
